

## **Code of Ethics** **Eclosions - Marketing & Communication**

### **1. Respect and Dignity**

We are committed to treating everyone with respect, dignity, and courtesy. We recognize the value of each individual and strive to create an inclusive and caring environment.

### **2. Professional Integrity**

We act with honesty and transparency in all our professional interactions. We are committed to providing quality services that meet our field's high standards and expectations.

### **3. Confidentiality**

We respect the confidentiality of our customers and partners. All information shared with us is protected and used only within the framework of our collaboration.

### **4. Commitment to Excellence**

We strive for excellence in everything we do. We are committed to continuously improving our skills and services to best meet our customers' needs.

### **5. Social and environmental responsibility**

We are committed to conducting our business ethically and responsibly, minimizing our impact on the environment, and contributing positively to the community.

### **6. Fairness and justice**

We ensure that our practices are fair, just and non-discriminatory. We treat all our customers, partners, and employees fairly and equitably.

### **7. Commitment to Personal Development**

We believe in the importance of personal and professional development. We encourage and support the ongoing development of our customers and ourselves.

This code of ethics reflects [www.eclosions.ch](http://www.eclosions.ch) 's core values and guides all our professional actions and decisions.
